NORTHWEST LEADERSHIP SEMINAR

SERVING NORTHWEST
LEADERS SINCE 1969

Greetings,

We are emailing to inform you that the 53rd Annual Northwest Leadership Seminar, "Embracing the Future of Change: Leading with Inspiration and Resilience" which was scheduled for March 2 through 4, 2022, has been cancelled due to the current environment of the pandemic and the spread of the Omicron variant.

We were hopeful to meet in person in March, and we understand how much this seminar means to the public safety leadership community. The safety and health of this community is our primary concern, and we are incredibly thankful for your support, as well as the support of our loyal vendors and sponsors throughout the pandemic. We appreciate your understanding and look forward to seeing you back in person in 2023.

Please don't hesitate to [contact us](#) if there are any questions.

Sincerely,
