FROM: Nathan Hughes, Technical Manager
SUBJECT: February 2022 Update

- Renew Pacific Office Contract
 - We have renewed the Pacific Office contract. The Admin and Dispatch printers have been upgraded, and we will be receiving a new Plotter Printer soon.
- CentralSquare API Training
 - I have completed CentralSquare's API class and I have started working on custom CAD interfaces.
- Network Security
 - The software for the Albert network analyzer has been delivered and I will be installing the image and connecting it to our network shortly.
