Subject: Board Education Program: Enroll for Insurance Credit

Did you know that if **two or more board members** from your district **enroll** in the SDAO Board Leadership Academy or SDAO/OFDDA Fire District Directors Academy (for fire districts only), your district can receive a 2% credit on next year's general liability, auto liability, and property insurance contributions?

That's right! All it takes is two or more board members to simply **enroll** in one of these **no cost** programs to receive credit, nothing more! **There is no requirement to finish.** Once two board members have signed up, your district has completed credit category 5 of the Best Practices Program, and it can be checked off on your survey.

What if you or someone at your district would like to take it a step further and complete the program? That's fantastic! If board members are interested in receiving a bronze-level certificate, they have **three years** to do so. There is no time limit on silver and gold.

So, what are you waiting for? It is free to sign up and once enrolled, you're helping your district to earn a discount on insurance contributions AND you're furthering your education as a special district board member. It's a win-win!
