

2022-23 Advisory Committee Appointments

TO: Board of Directors
FROM: Mike Fletcher, Executive Director
DATE: August 25, 2022

Every year the Board makes formal appointments to the C911CD Advisory Committee. The Advisory members serve a two-year term. In order to avoid all the member's terms expiring at the same time we tried to stagger their terms.

The agencies with their term date highlighted need to be reappointed for a two-year term that will expire on 7/31/2024. Plus, Mist-Birkenfeld RFPD, Scappoose PD and Vernonia RFPD had changes in representatives who need to be appointed as well.
