Mike Fletcher, Executive Director
FROM: Nathan Hughes, Technical Manager
SUBJECT: September 2022 Update

- SD-WAN
 - Updated routing to use WCCCA and Clackamas network hubs simultaneously resulting in greater redundancy.
- MAJCS
 - CAD servers updated with security patches. Approximately 10 minutes to complete.
- MDC
 - Rolling out new maps to MDCs. Scappoose Police is now testing new maps with CRFR and Saint Helens Police. The new maps are much faster and reliable.
- Audio Recording
 - Worked with Dannell, Day Wireless, and Equature to install new audio recording equipment. Installation completed with no issue.
