

2023-24 Advisory Committee Appointments

TO: Board of Directors
 FROM: Mike Fletcher, Executive Director
 DATE: July 20, 2023

Every year the Board makes formal appointments to the C911CD Advisory Committee. The Advisory members serve a two-year term. In order to avoid all the member's terms expiring at the same time we tried to stagger their terms.

The agencies with their term date highlighted need to be reappointed for a two-year term that will expire on 7/31/2025. Plus, Emergency Management and Metro West had changes in representatives who need to be appointed as well.
